Alfa Romeo Tonale , 2023

Alfa Romeo Tonale Edizione Speciale – 03/2023

Safety and Assistance Systems:
The Alfa Romeo Tonale Edizione Speciale is a limited-production model that integrates Alfa’s signature style with a high level of driver assistance technology. This includes adaptive cruise control, lane keeping assist, a 360-degree surround-view camera system, blind spot monitoring, and forward collision warning with automatic emergency braking. Full LED matrix headlights enhance visibility and add to the vehicle’s premium presence, while front and rear parking sensors make maneuvering simple and secure.

Performance and Handling:
Under the hood, this edition features a **1.5-liter** turbocharged 4-cylinder petrol engine, supported by a 48V mild hybrid system. The setup produces a refined and responsive **160 horsepower**, allowing for agile acceleration and smooth driving across varied conditions. Power is delivered through a 7-speed dual-clutch automatic transmission, providing quick and efficient shifts. The mild hybrid system not only boosts fuel efficiency but also allows the car to move short distances on electric power alone in stop-and-go traffic.

Comfort and Multimedia:
Inside the cabin, the Tonale Edizione Speciale is fully loaded with advanced features and premium materials. The digital cockpit includes a 12.3-inch instrument cluster and a 10.25-inch Uconnect 5 touchscreen with wireless Apple CarPlay and Android Auto. Climate control is automatic, and the infotainment system is intuitive and customizable. Other highlights include wireless phone charging and a premium sound system.

Interior and Seats:
The interior is dressed in elegant leather with heating and ventilation for the front seats, adding luxury to practicality. The ergonomically designed cabin provides ample space for passengers, and the rear seats fold to allow additional cargo flexibility. Attention to detail, soft-touch materials, and ambient lighting combine to create a refined atmosphere that matches the Tonale's upscale character.

Exterior:
This special edition Tonale is finished in **Alfa Red**, a classic and vibrant color that embodies Alfa Romeo’s racing heritage and bold design language. The exterior

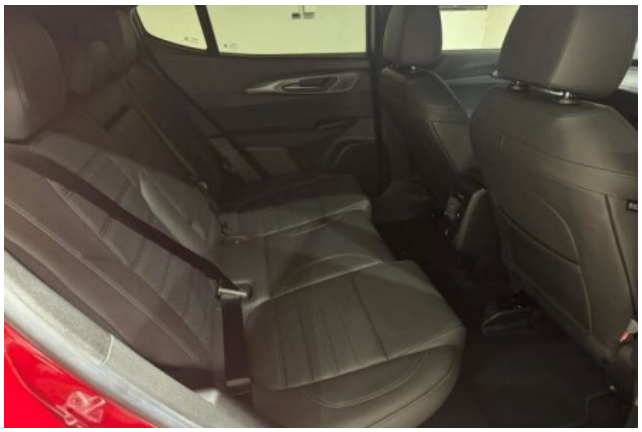

features exclusive ‘telephone dial’ alloy wheels, black exterior accents, and sporty styling cues that set it apart from standard trims. Its sleek proportions, LED lighting signature, and sculpted profile give it a dynamic and elegant road presence.
