Overview
The **Alfa Romeo Tonale DCT TI 09/2023** blends Italian design flair with modern hybrid efficiency and advanced driving technology. %READMORE% Finished in striking Alpha Red with a refined black leather interior, this compact luxury SUV delivers both dynamic styling and everyday practicality.

Performance & Driving Experience
Powered by a 1.5-liter hybrid powertrain paired with a smooth 7-speed DCT transmission, the Tonale offers responsive acceleration and improved fuel efficiency. The electronically controlled suspension enhances ride comfort while maintaining sporty handling, true to Alfa Romeo’s performance heritage.

Interior & Comfort
The cabin features premium black leather seats with heating and ventilation functions, electric seat adjustment, and a driver-focused layout. The factory navigation system and 360-degree camera provide convenience and confidence in both city and highway driving.

Technology & Safety
Equipped with Collision Mitigation Braking, cruise control, parking sensors, multiple camera systems, and advanced driver assistance features, the Tonale ensures a safe and connected driving experience.

Exterior
The bold Alpha Red finish highlights Alfa Romeo’s signature design language, complemented by LED lighting and genuine 20-inch alloy wheels, giving the Tonale a sporty and premium road presence.
