BMW X6 , 2025

BMW X6 M Competition 2025

Performance & Handling: Powered by a high-performance V8 engine, delivering exceptional power and precision. The M xDrive all-wheel-drive system enhances traction and agility, while the Adaptive M Suspension ensures a perfect balance of comfort and sportiness.

Exterior & Wheels: Finished in **Frozen Marina Bay Blue Metallic**, an exclusive BMW Individual paint option that enhances the car’s striking presence. The aggressive design is complemented by aerodynamically optimized M styling elements.

Interior & Comfort: The cabin is adorned with **Sakhir Orange & Black Full Merino Leather Interior**, offering a bold and luxurious ambiance. The **Carbon Fibre Interior Trim** adds a motorsport-inspired touch. The **Comfort Pack** ensures premium convenience with features designed for enhanced comfort during long journeys.

Technology & Safety: The **Ultimate Pack** brings together the most advanced BMW technology and luxury features, providing cutting-edge driving assistance, entertainment, and connectivity options. **Accessory Trackstar** enhances security with advanced tracking capabilities.
