### Overview

The Aston Martin DB12 2025 is a grand touring coupe finished in Podium Green with a petrol powertrain and automatic transmission. [%READMORE%](#) This model combines contemporary Aston Martin design with a focused two-door coupe layout and a distinctive specification.

### Driving Performance

The automatic transmission delivers smooth power delivery and effortless long-distance driving. The DB12 is engineered to provide a balanced combination of performance, stability and everyday usability.

### Interior and Equipment

The cabin features an Onyx Black Semi Aniline interior with Primary Black carpeting and a premium driver-focused environment. Sports Plus Seats, 16-Way Seat Adjustment, Leather Seat Backs and a Sports Steering Wheel enhance comfort and support.

### Technologies and Assistants

Technology features include a 360 Camera System, Automatic Parking Assistant and Blind Spot Assistance System. Keyless Entry, Extended Ambient Lighting and Aston Martin Standard Audio add convenience and functionality.

### Exterior

The coupe body is finished in Podium Green with a black roof and extensive black

exterior detailing. Satin Black 21 Inch Y-Spoke Wheels, Privacy Glass and Dark Finish exterior elements create a distinctive appearance.
