BMW 8 Series 840d xDrive Gran Coupe M Sport – 04/2021

Exterior
This 8 Series Gran Coupe is finished in **Black Sapphire Metallic**, emphasizing its sleek and elegant **4-door coupe** design. The **M Sport package** adds a sporty character with unique aerodynamic elements, while the **panoramic glass sunroof** enhances its premium appeal. The car sits on **genuine 19-inch alloy wheels**, paired with **adaptive laser headlights** for excellent illumination and presence on the road.

Performance and Driving Dynamics
Under the hood lies a **3.0-liter inline-6 diesel engine** with mild hybrid technology, paired to an **automatic transmission** and **xDrive all-wheel drive**. It produces **335 hp** and around **700 Nm of torque**, delivering strong acceleration with remarkable efficiency. The **adaptive M suspension** provides a balance of dynamic sport handling and everyday comfort, making it equally suited for spirited drives and long journeys.

Interior and Comfort
The interior is finished in **premium black leather**, combining sporty luxury with comfort. Features include **heated and power-adjustable seats**, a **10.25-inch central display with navigation**, and a **Harman Kardon sound system** for immersive audio. The spacious **Gran Coupe body** ensures ample rear passenger room, while details like the **head-up display (HUD)** and **ergonomic controls** create a driver-focused environment.

Technology and Safety
Equipped with modern assistance and infotainment systems, this 840d features **360° cameras**, **adaptive cruise control**, and multiple driver aids for everyday confidence. Safety is enhanced with **ABS**, **stability control**, **airbags throughout**, and **xDrive intelligent all-wheel drive** ensuring excellent traction in all conditions. The advanced infotainment system supports **TV functionality**, alongside **intuitive connectivity features**.
