

Aston Martin Vantage , 2024

Aston Martin Vantage 2024

Safety Equipment: The Aston Martin Vantage is equipped with **Auto Emergency Braking (AEB)**, **Dynamic Stability Control (DSC)**, **Dynamic Torque Vectoring (DTV)**, and **Lane Keep Assist (LKA)** for enhanced driving safety. The **Rear Cross Traffic Assist (RCTA)** helps detect vehicles approaching from the sides when reversing. Other safety features include **ABS**, **Emergency Brake Assist (EBA)**, **Electronic Brakeforce Distribution (EBD)**, and **Hydraulic Brake Assist (HBA)**.

Comfort Equipment: This model features **ventilated front seats** for enhanced comfort in warm conditions, along with **heated front seats** and a **heated steering wheel** for added luxury. The **interior is finished in full leather Contemporary Onyx Black**, and **Primary Alcantara headlining** adds a premium touch. The **Bowers & Wilkins Audio System** delivers a high-end sound experience. The **inductive mobile phone charger** allows for convenient wireless charging.

Interior: The cabin is finished with **Satin Carbon Fibre and Alcantara trim inlays**, complemented by **contrast stitching** on the seats. The **sports seats with Sports Plus design** provide excellent lateral support. The **Garage Door Opener** enhances convenience, while the **rotary dial infotainment system** ensures intuitive control.

Exterior: This Vantage is finished in **Ultramarine Black**, featuring **21-inch 5-Spoke Forged Satin Platinum alloy wheels** and **silver brake calipers**. The **Black Pack - Lower** adds aggressive styling with black accents. The **Presenting Door Handles** automatically extend for ease of entry, while **privacy glass and smoked tail lights** enhance its sleek and exclusive look.

Performance: Equipped with the **Adaptive Damping System (ADS)**, **Positive Torque Control (PTC)**, and **advanced suspension setup with a front double wishbone and rear multi-link configuration**, the Vantage delivers precision handling. The **drive mode selector** offers **Wet, Sport, Sport+, Track, and Individual modes**, allowing for a customizable driving experience.

Technology and Multimedia: The **Bowers & Wilkins premium audio system** ensures an immersive sound experience. The **Aston Martin Rotating Display** integrates seamlessly with **Apple CarPlay and Bluetooth streaming**. Matrix LED headlights with **Auto High Beam Control (AHB)** provide optimal nighttime visibility.

Driver Assistance Systems: Includes **Adaptive Cruise Control (ACC)** with **Stop & Go**, **Blind Spot Monitoring**, **Forward Collision Warning (FCW)**, **Lane Departure Warning (LDW)**, **Traffic Sign Recognition (TSR)**, and a **360-degree parking camera** for easier maneuverability.
