Overview
The BMW iX3 M Sport 2023 is a fully electric premium SUV that combines BMW driving dynamics with zero-emission efficiency and sporty M styling. %READMORE% Finished in Mineral White Metallic with 20-inch M Sport wheels and panoramic sunroof, this BMW iX3 for sale is available through our car dealership in Cyprus, offering modern electric mobility with premium comfort.

Driving Performance
The electric drivetrain delivers smooth and instant acceleration with quiet operation. Rear-wheel drive configuration ensures balanced handling, while BMW’s advanced chassis tuning provides a refined yet dynamic driving experience suitable for both city and highway travel.

Interior and Equipment
The cabin accommodates 5 passengers and features genuine black leather seats with heating and electric adjustment. A panoramic sunroof enhances the spacious atmosphere, while dual-zone climate control and premium Harman Kardon audio ensure superior comfort.

Technologies and Assistants
Equipped with Adaptive Cruise Control (ACC), Lane Keep Assist, collision mitigation braking, blind spot monitoring, and a 360-degree camera system. The touchscreen navigation system and digital infotainment platform provide seamless connectivity and intuitive control.

Exterior
The Mineral White Metallic exterior highlights the sporty M Sport package styling. LED headlights, aerodynamic body kit, roof rails, and 20-inch aluminum wheels create a bold and modern SUV presence.
