### Overview

The Aston Martin DB12 06/2024 is a next-generation grand tourer that blends breathtaking performance with handcrafted British luxury. %READMORE% Finished in elegant Silver with a rich brown leather interior and 21-inch Satin Bronze wheels, this one-owner example offers a striking presence and an unmistakable Aston Martin character enhanced by a sport exhaust system and ambient lighting.

### Performance and Driving Dynamics

Powered by a 4.0-liter twin-turbocharged V8 engine paired with an 8-speed automatic transmission, the DB12 delivers exhilarating acceleration and refined grand touring capability. Rear-wheel drive ensures a pure and engaging driving experience, while the sport exhaust system amplifies the car's dynamic personality.

### Interior and Craftsmanship

The cabin showcases premium brown leather upholstery embossed with the iconic Aston Martin wings. Heated and power-adjustable seats, ambient lighting, and a driver-focused cockpit create an atmosphere of both performance and comfort. Advanced infotainment with smartphone connectivity ensures modern convenience.

### Safety and Assistance Systems

Equipped with adaptive cruise control, Lane Keep Assist, collision mitigation braking, blind spot monitoring, parking assist, and a surround-view camera system, the DB12 integrates advanced safety technology seamlessly into its grand touring design.

## Exterior

The sculpted Silver bodywork highlights the DB12's aerodynamic lines and muscular stance. Adaptive LED headlights and Satin Bronze 21-inch alloy wheels complete the sophisticated yet aggressive appearance of this flagship Aston Martin coupe.
