

Aston Martin DB12 , 2023

Aston Martin DB12 2023

Safety Equipment: The vehicle is equipped with **Auto Park Assist and Blind Spot Assistance** for enhanced driving safety. A **perimeter camera system** is included to assist with maneuvering and parking.

Comfort Equipment: The interior features **Phantom Grey leather upholstery with contrast Ivory stitching**, along with a **heated steering wheel and ventilated front seats** for maximum comfort. **Comfort seats** provide excellent support for long drives.

Interior: The cabin is adorned with **Dark Chrome Jewellery Pack** and **Gloss Black Centre Stack Finisher**, adding a touch of sophistication. The **Aston Martin Wings Headrest Embroidery** enhances the exclusivity of this model.

Exterior: The car is painted in a unique **Storm Purple** exterior color. It rides on **21-inch Multi-Spoke Forged Satin Black Diamond Turned Wheels**, while the **Upper and Lower Black Pack** add black exterior accents, giving it a sleek and aggressive appearance.

Performance: The vehicle is equipped with **carbon-ceramic brakes**, ensuring superior braking performance and resistance to heat during high-speed driving.

Technology and Multimedia: A **premium Bowers & Wilkins audio system** provides an immersive sound experience.

Driver Assistance Systems: Features include **Auto Park Assist and Blind Spot Assistance**, ensuring safety and ease of driving.
