BMW M5 , 2023

BMW M5 Competition 4.4 4WD (LCI) – 12/2023

General Overview:
The 2023 BMW M5 Competition, registered in December and finished in striking **Black Sapphire Metallic**, is a late LCI (Life Cycle Impulse) facelift model, showcasing enhanced performance, updated technology, and refreshed styling. As a luxury super-sedan, it embodies the perfect fusion of track-capable dynamics and executive comfort, standing at the pinnacle of BMW's M division engineering.

Performance and Powertrain:
This M5 Competition is powered by a **4.4-liter twin-turbocharged V8** engine producing a massive **625 horsepower** and **750 Nm of torque**. The power is distributed through BMW's **M xDrive all-wheel-drive system** and an **8-speed M Steptronic automatic transmission**, allowing the car to rocket from 0 to 100 km/h in just **3.3 seconds**. A selectable 2WD mode, active M differential, and M-specific adaptive suspension make this car as thrilling on the track as it is composed on the road.

Interior and Features:
Inside, the M5 Competition delivers a premium, motorsport-inspired environment. The updated LCI model features BMW's latest Live Cockpit Professional, including a fully digital 12.3-inch instrument display and central touchscreen with **iDrive 7.0**, navigation, **Apple CarPlay**, **Android Auto**, and gesture control. Exclusive **Merino leather upholstery**, M multifunction front sport seats, ambient lighting, and Harman Kardon surround sound all contribute to a refined yet aggressive interior feel.

Safety and Driver Assistance:
Advanced driver assistance features come standard, including adaptive cruise control, lane departure warning, blind-spot monitoring, forward collision mitigation, and a 360-degree camera system. These systems ensure confidence and convenience whether cruising long distances or navigating tight urban environments.

Exterior Design:
The refreshed LCI design adds sharper LED headlights, redesigned taillights, and revised bumpers. The **Black Sapphire Metallic** finish pairs perfectly with gloss black exterior elements such as the kidney grille, mirror caps, and rear diffuser. Quad black chrome tailpipes and **20-inch M light-alloy wheels** emphasize the M5's muscular stance and performance credentials.

Specifications:

ID: TSE-211
Final Price: 124990.00 EUR
Interior Color: Black
Number of Seats: 5
Steering Side: Right
Condition: New
