Overview

This Audi Q4 Sportback e-tron 40 S Line from 2023 is an off-road SUV coupe with an all-electric powertrain, offered as a certified pre-owned car for sale through an authorized dealership.

Driving Performance

The vehicle is equipped with an automatic transmission (AT) and a 2WD drivetrain. This configuration delivers smooth electric driving and controlled handling characteristics.

Interior and Equipment

The interior accommodates five passengers and features the S Line Interior Plus Package, configured for everyday comfort. The cabin layout includes partial leather upholstery, heated front seats, electric seats, an automatic tailgate, rear seat USB ports, and wireless charging to support both daily commutes and longer journeys.

Technologies and Assistants

Standard safety and driver assistance systems—including Adaptive Cruise Control, Lane Keep Assist, Blind Spot/Rear Traffic monitoring, and a front/side/back camera system—are provided for controlled driving. They support the driver in typical urban and highway situations.

Exterior

The 5-door SUV coupe body is finished in Mythos Black Metallic. Its exterior presentation, complete with Matrix LED adaptive headlights and aluminum wheels, matches the positioning of the Audi Q4 Sportback e-tron.
