Overview

This Audi Q4 Sportback e-tron 45 S Line from 2024 is an off-road SUV coupe with an all-electric powertrain, offered as a pre-owned car for sale through a dealership.

Driving Performance

The vehicle is equipped with an automatic transmission (AT) and a 2WD drivetrain. This configuration delivers smooth electric driving and controlled handling characteristics.

Interior and Equipment

The interior accommodates five passengers and features the S Line Package and Black Styling Package, configured for everyday comfort. The cabin layout includes front power seats, seat heaters, Virtual Cockpit Plus, and genuine navigation to support both daily commutes and longer journeys.

Technologies and Assistants

Standard safety and driver assistance systems—including Adaptive Cruise Control, Lane Keep Assist, Parking Assist, and a surround camera system—are provided for controlled driving. They support the driver in typical urban and highway situations.

Exterior

The 5-door SUV coupe body is finished in gray. Its exterior presentation, complete with Matrix LED adaptive headlights and genuine 20-inch alloy wheels, matches the positioning of the Audi Q4 Sportback e-tron.
