Overview
The Honda ZR-V e:HEV Z 07/2025 is a modern hybrid SUV that combines advanced efficiency, refined comfort, and comprehensive safety technologies. %READMORE% Finished in elegant Platinum White Pearl and equipped with Honda’s latest e:HEV hybrid system, this model delivers smooth performance and excellent fuel economy for daily driving and long-distance travel.

Performance & Efficiency
Powered by a 2.0-liter hybrid system, the ZR-V offers responsive acceleration with quiet and efficient operation. The e-CVT transmission ensures seamless power delivery, while the 2WD layout provides stable and comfortable driving dynamics.

Interior & Comfort
The cabin features full leather seats with heating for the front passengers and an electric driver’s seat for optimal comfort. The spacious interior layout provides ample room for five occupants, making it ideal for families and urban use.

Technology & Safety
Equipped with Honda SENSING, including Collision Mitigation Braking, Adaptive Cruise Control, Lane Keep Assist, and Lane Departure Prevention, the ZR-V prioritizes safety. The 9-inch navigation display, Multi-View Camera System, and connectivity features enhance convenience and driver confidence.

Exterior
The sophisticated Platinum White Pearl finish, LED headlights, and stylish aluminum wheels give the ZR-V a premium and contemporary appearance.
