Audi RS e-tron GT , 2024

Audi RS e-tron GT 4WD – 2024

Exterior:
The **2024 Audi RS e-tron GT** is a high-performance electric grand tourer that merges cutting-edge EV engineering with aggressive RS styling. The exterior features a sleek, aerodynamic silhouette with a wide singleframe grille, matrix LED headlights, active air inlets, and a sloping roofline for a coupe-like profile. Large 21-inch alloy wheels, RS-specific bumpers, and a rear diffuser with an active spoiler emphasize both sportiness and elegance.

Performance and Efficiency:
This all-electric RS variant is equipped with **dual electric motors** (one per axle), delivering up to **645 horsepower (475 kW)** with overboost. Torque reaches **830 Nm**, enabling a blistering **0–100 km/h in just 3.3 seconds**. Power is managed by Audi's **quattro all-wheel-drive system**, ensuring optimal grip and acceleration. The 93.4 kWh lithium-ion battery provides a range of approximately **470 km (WLTP)**, with 800V architecture supporting ultra-fast DC charging — 5% to 80% in about 22.5 minutes under ideal conditions.

Interior and Features:
The cabin blends luxury with advanced tech, featuring **leather/Alcantara RS sports seats**, a 12.3-inch Audi Virtual Cockpit, and a 10.1-inch MMI touchscreen with haptic feedback. Ambient lighting, a panoramic glass roof, and 4-zone climate control elevate comfort. Other highlights include a Bang & Olufsen 3D Premium Sound System, wireless Apple CarPlay/Android Auto, and heated/ventilated front seats with massage function.

Technology and Safety:
The RS e-tron GT is equipped with a full suite of driver assistance systems, including **adaptive cruise assist**, **lane keeping assist**, **360-degree camera**, **blind spot monitoring**, and **pre sense front/rear** for collision mitigation. Regenerative braking levels can be adjusted, while air suspension ensures both performance handling and daily comfort. Over-the-air updates and vehicle-to-infrastructure (V2I) capabilities support a future-ready driving experience.

Specifications:

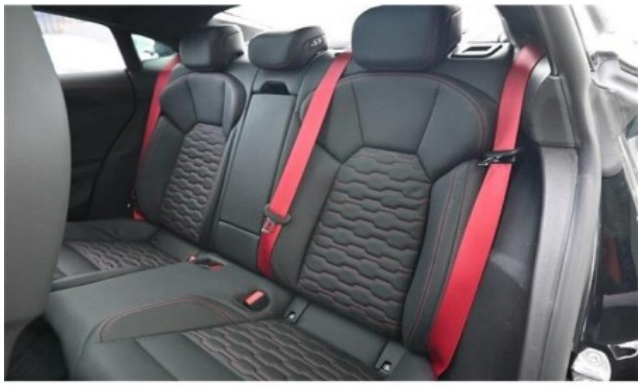

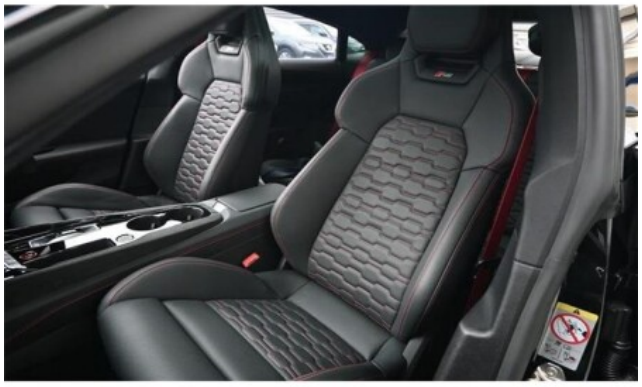

ID: COS-902

Final Price: 82000.00 EUR
