Overview
The **Honda Civic Type R 03/2025** is a near-new performance hatchback that blends aggressive styling with race-inspired engineering. %READMORE% Finished in striking blue and presented as a one-owner vehicle with extremely low mileage, this example offers exceptional value for enthusiasts seeking a modern manual sports car with full factory equipment.

Performance and Driving
Powered by a 2.0-liter turbocharged VTEC engine paired with a precise 6-speed manual gearbox, the Civic Type R delivers sharp acceleration and engaging driver feedback. The front-wheel-drive layout is enhanced by a limited-slip differential and performance-tuned suspension, ensuring outstanding cornering grip and stability. Brembo brake calipers provide confident stopping power suitable for spirited driving.

Interior and Comfort
The cabin combines sport-focused ergonomics with everyday usability. Honda Connect infotainment with genuine display navigation and Full-Seg TV ensures advanced connectivity, while the smart key system and multifunction steering wheel add convenience.

Technology and Safety
Equipped with Honda SENSING, including Adaptive Cruise Control, Lane Keep Assist, and Collision Mitigation Braking. Blind Spot Monitoring and Rear Traffic Alert enhance safety in both city and highway driving conditions.

Exterior
The bold aerodynamic bodywork, sculpted bumpers, large rear spoiler, and alloy

wheels highlight its motorsport heritage. LED lighting technology ensures a sharp, modern presence on the road.
