Honda Insight , 2022

Honda Insight 1.5 EX Hybrid – 04/2022

General Overview:
An elegant and economical hybrid sedan in **Pearl (NH-883P)**, produced in April 2022. This vehicle combines stylish design, modern technology, and excellent fuel efficiency, offering comfortable everyday driving with a touch of premium quality.

Performance & Hybrid Efficiency:
Powered by a **1.5-liter i-VTEC** petrol engine paired with an electric motor and Honda's hybrid system, delivering a total output of **151 horsepower**. This setup ensures confident performance while maintaining low fuel consumption. The **e-CVT automatic transmission** provides smooth driving, while the hybrid technology optimizes power distribution between the engine and electric motor.

Interior & Features:
Features include factory navigation, rear-view camera, Bluetooth connectivity, parking sensors, leather steering wheel, alloy wheels, keyless entry, push-button start, and multifunction steering controls. The cabin is spacious and quiet, crafted from high-quality materials with thoughtful ergonomics.

Safety & Driver Assistance:
Equipped with stability control, parking sensors, adaptive cruise control, collision mitigation braking system, lane keeping assist, LED headlights, and multiple airbags.

Specifications:

ID: ULB-715
Final Price: 26490.00 EUR
Interior Color: Black
Number of Seats: 5
Steering Side: Right
Condition: New
