Mazda CX-3 , 2024

Mazda CX-3 1.5 15S Touring 2024

Safety and Driver Assistance Systems: Equipped with Smart City Brake Support, LED headlights, parking sensors, and a 360-degree view monitor, enhancing both safety and convenience during urban and highway driving.

Comfort and Interior: The cabin features leather seats and a built-in navigation system with support for CD, DVD, and Bluetooth, providing a comfortable and connected driving experience.

Exterior: Finished in Platinum Quartz Metallic with 16-inch alloy wheels, the vehicle presents a refined and modern look.

Performance: Powered by a 1.5-liter gasoline engine paired with an automatic transmission, the CX-3 delivers a smooth and efficient drive suitable for daily use.

Technology and Multimedia: Includes a factory-installed multimedia system with CD/DVD playback, Bluetooth connectivity, digital TV, and a 360-degree camera system for a premium tech experience.
