Nissan Skyline , 2024

Nissan Skyline 3.0 GT Type P White 03/2024

Overview:
The 2024 Nissan Skyline 3.0 GT Type P White is a sporty and stylish sedan that combines advanced technology with impressive performance. Equipped with a **3.0-liter gasoline engine** producing **304 horsepower** and **400 Nm of torque**, it offers excellent driving dynamics and comfort. This model features a sleek design and includes premium features such as a **panoramic sunroof**, **navigation system**, and a **360-degree camera**, making it the ideal choice for those who value both high-tech and style.

Performance and Efficiency:
The Nissan Skyline 3.0 GT Type P White is powered by a **3.0-liter gasoline engine**, delivering **304 horsepower** and **400 Nm of torque**, ensuring excellent acceleration and driving performance. The car is equipped with a **7-speed transmission** and **rear-wheel drive**, providing exceptional handling and responsiveness on the road. This combination allows for dynamic driving while maintaining good fuel efficiency on long trips.

Interior and Features:
Inside the 2024 Nissan Skyline 3.0 GT Type P White, you'll find a **luxurious and comfortable cabin** that accommodates up to 5 passengers. The car features a **multimedia system with navigation support**, as well as a **360-degree camera** for improved visibility and ease of maneuvering. For added comfort, it comes with **electronically adjustable seats** with heating and ventilation, as well as a high-quality **leather interior**. The **panoramic sunroof** creates a sense of openness and lightness inside, while the **climate control system** ensures comfort for all passengers.

Safety and Driver Assistance:
The 2024 Nissan Skyline 3.0 GT Type P White is equipped with a full suite of modern safety systems, including **blind-spot monitoring**, **lane departure warning**, **collision prevention system**, and **adaptive cruise control**. The **360-degree camera** provides a full view of the surroundings, enhancing maneuverability and safety during parking or driving in heavy traffic.

Exterior:
The 2024 Nissan Skyline 3.0 GT Type P White boasts a stylish and sophisticated

exterior design, combining sporty lines with refined details. The **White Pearl** paint color accentuates its elegant and modern look, while **18-inch alloy wheels** and **LED headlights** add a dynamic touch. The **panoramic sunroof** enhances the vehicle’s airy and light feel, while **rear-wheel drive** ensures excellent handling and performance on the road.
