Overview

The Audi Q4 e-tron 40 S line is a premium electric SUV equipped with advanced driver assistance systems and modern comfort features. Finished in Glacia White Metallic, it combines sporty S line styling with practicality and cutting-edge EV technology.
%READMORE%
This certified used car emphasizes efficiency, safety, and everyday usability, backed by Audi’s extended EV warranty.

Driving Performance

The Q4 e-tron is powered by an electric motor paired with an automatic transmission. The rear-wheel drive system ensures smooth handling and responsive acceleration. Driving characteristics focus on quiet operation, instant torque delivery, and balanced dynamics.

Interior and Equipment

The cabin accommodates five passengers with S line interior enhancements. Comfort features include heated steering wheel, ambient lighting, wireless charging, and power-adjustable seats. The MMI Navigation Pro and TV tuner enhance connectivity and entertainment.

Technologies and Assistants

Key systems include Adaptive Cruise Control, Lane Keep Assist, Parking Assist, Collision Mitigation Braking System, Blind Spot Monitor, and Rear Traffic Monitor. Surround view cameras and multiple airbags contribute to comprehensive safety support.

Exterior

The exterior is finished in Glacia White Metallic, complemented by the Black Styling Package and S line design elements. Functional features such as automatic high beam highlight the modern and sporty character of this electric SUV.
