Toyota Land Cruiser Prado , 2021

Toyota Land Cruiser Prado TX 2.7 Petrol 4WD – 01/2021

General Overview
The **Toyota Land Cruiser Prado TX** is a durable and versatile SUV that has built a strong reputation for reliability and capability. With its robust frame and modern features, it balances off-road toughness with family-friendly practicality.

Performance and Driving Dynamics
Powered by a **2.7-liter petrol engine producing 163 horsepower**, this Prado offers smooth and dependable performance for both urban driving and long-distance travel. Its **4WD system** ensures confident handling and excellent traction across various terrains, making it a trusted companion for adventures as well as daily use. The automatic transmission further enhances driving comfort with seamless gear shifts.

Interior and Comfort
Inside, the Prado provides generous space and comfort for up to seven passengers. Equipped with features like a multifunction steering wheel, push start, keyless entry, and modern infotainment options including navigation and TV, the cabin ensures convenience and ease of use. Premium seating and thoughtful design details enhance long-journey comfort.

Technology and Safety
The Prado TX comes with advanced safety and driver-assist features such as **LED headlights**, Toyota Safety Sense, collision mitigation support, and multiple airbags. Rearview monitoring and parking assistance further improve safety and maneuverability.

Exterior Design
Finished in **White Pearl**, this Prado carries the rugged yet sophisticated styling that defines the Land Cruiser family. Its bold stance, signature grille, and durable alloy wheels highlight its commanding road presence while reflecting Toyota’s heritage of strength and reliability.
