

Audi A3 , 2023

Audi A3 40 TFSI quattro Advanced 4WD - 11/2023

Performance and Efficiency:

This Audi A3 is powered by a **2.0-liter turbocharged petrol engine** paired with Audi's **quattro all-wheel drive system**, delivering a confident and sporty driving experience. The engine produces **190 horsepower**, mated to a smooth **7-speed S tronic automatic transmission**, ensuring responsive acceleration and refined shifts. The quattro system ensures enhanced grip and stability across various driving conditions, from slippery city streets to curvy rural roads.

Interior and Features:

Inside, the A3 Advanced trim blends high-tech functionality with upscale comfort. It includes **Virtual Cockpit**, a fully digital instrument cluster, and **MMI navigation system** with integrated multimedia and Bluetooth connectivity. The cabin features **premium upholstery, heated power-adjustable front seats**, dual-zone automatic climate control, and **ambient lighting**. The rear seats fold down for expanded cargo flexibility, while sound insulation keeps the ride quiet and refined.

Safety and Driver Assistance:

This A3 is equipped with a comprehensive suite of safety features including **Audi Pre Sense Front, side assist, adaptive cruise control, lane departure warning**, and a **rearview camera** with parking sensors. It also includes multiple airbags, stability control systems, and ISOFIX child seat anchors. The **Assistance Package** enhances long-distance comfort with advanced semi-autonomous driving aids.

Exterior Design:

Finished in **Mythos Black Metallic**, this A3 showcases Audi's signature clean lines, sharp LED headlamps, and a sleek, aerodynamic silhouette. The **Advanced trim** adds distinct styling elements such as dynamic turn signals and alloy wheels. Compact yet sophisticated, the A3 hatchback blends performance, practicality, and prestige into a modern premium package.
