Overview

The 2025 Audi S5 3.0 4WD is a hatchback with a hybrid powertrain and right-hand drive configuration. This used car for sale offers a practical combination of performance and everyday usability.

Driving Performance

The vehicle is equipped with a 7-speed automatic transmission with manual mode and a 4WD drivetrain. It delivers stable handling and confident driving characteristics in different road conditions.

Interior and Equipment

The cabin is configured for five passengers and features genuine leather seats for a comfortable driving experience. The interior is designed with comfort and convenience in mind for daily use.

Technologies and Assistants

The vehicle includes a range of driver assistance and safety systems to support everyday driving. These technologies help improve awareness, convenience, and overall driving confidence.

Exterior

The hatchback body is finished in Daytona Gray Pearl Effect. The exterior combines a modern appearance with a practical design.
