Audi RS3 , 2024

Audi RS3 Sportback 2.5 TFSI Quattro 2023

Safety Equipment: The vehicle is equipped with driver and front passenger airbags with a deactivation option, side airbags for front seats, head airbags, and an additional central airbag for enhanced protection. It includes Audi Pre-Sense Front, Electronic Stability Control (ESC) with ABS, ASR, and EDL, Hill Hold Assist, a tire pressure monitoring system, and a seatbelt monitoring system. The anti-theft system features an alarm, remote central locking, and electronic child locks.

Comfort Equipment: The cabin features RS sport seats upholstered in Fine Nappa leather with an RS-embossed honeycomb pattern and Micrommata Green contrast stitching. Front seats are electrically adjustable with a memory function for the driver's seat and four-way lumbar support. The three-zone climate control system ensures optimal comfort for all passengers. Additional features include the Ambient Lighting Pro package, an auto-dimming frameless rearview mirror, a front center armrest, a storage package, and a tool kit.

Interior: The interior is finished in black leather with decorative Carbon Atlas Structure inlays. It includes a black fabric headliner, RS3-branded door sills, front and rear floor mats, and a flat-bottomed RS multifunction steering wheel wrapped in black leather with Vanadium Look details and RS badging. The stainless steel pedals add a sporty touch, while the rear seat bench can be folded in a 60:40 split or fully.

Exterior: The car is painted in Kyalami Metallic and comes with the Black Styling Pack Plus for a bold, aggressive look. It features 19-inch 10-Cross-Spoke Black Metallic alloy wheels, RS red brake calipers, carbon mirror caps, and a carbon tailgate spoiler. A panoramic sunroof, Privacy Glass, an RS sport exhaust system, and advanced LED headlights with Audi Beam further enhance its premium appearance.

Performance: Equipped with adaptive suspension with Audi Drive Select, progressive steering, and an automatic start-stop system with energy recuperation, this RS3 delivers an engaging driving experience. The top speed is increased to 280 km/h.

Technology and Multimedia: The vehicle is fitted with the Technology Pack Pro, featuring MMI Navigation Plus with a 10.1-inch touchscreen display, Audi Virtual Cockpit RS with a 12.3-inch digital cluster, Audi App Store, and smartphone integration. It supports Apple CarPlay and Android Auto, wireless charging via Audi Phone Box, DAB digital radio, an E-Call emergency system, and USB ports with a charging function for rear passengers.

Driver Assistance Systems: The RS3 includes camera-based traffic sign recognition, collision avoidance assist, a driver fatigue warning system
