Overview

The **Audi RS e-tron GT 03/2024** is an all-electric 4WD sedan with a sporty grand touring character. %READMORE% It combines a premium interior, strong equipment level, and a clean performance-focused design, making it a well-equipped modern electric model.

Driving Performance

The 4WD system and electric powertrain provide smooth, stable, and confident movement. The overall driving character feels composed, responsive, and well suited for both daily driving and higher-speed cruising.

Interior and Equipment

The cabin is designed for 5 passengers and offers a premium atmosphere with Fine Nappa leather and a strong comfort package. Features such as electric seats, seat ventilation, seat heating, keyless access, and smart key improve everyday usability.

Technologies and Assistants

This vehicle comes with a broad range of safety and driver assistance systems, including Adaptive Cruise Control, Lane Keep Assist, Parking Assist, obstacle sensors, blind spot and rear traffic monitoring, and multiple camera systems. It also includes display audio with Apple CarPlay and Android Auto, navigation, ETC, and a Bang & Olufsen audio system.

Exterior

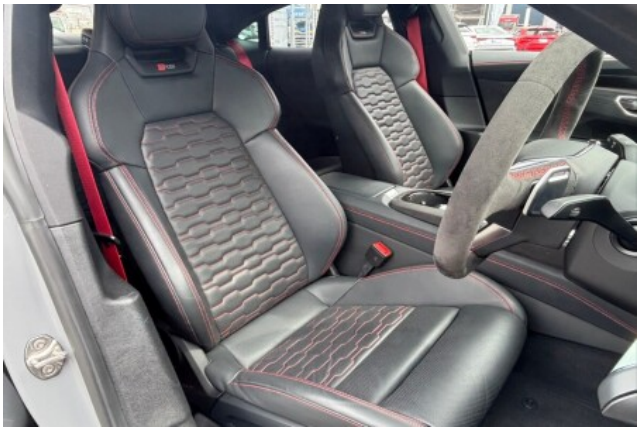

This model is presented as a sleek sedan in a special gray body color. Exterior highlights include LED adaptive headlights, a glass roof, aluminum wheels, laser lights, and red brake calipers that add a sharper and more premium visual impression.
