Overview
The Audi RS Q3 TFSI Quattro S Tronic 07/2024 is a high-performance compact SUV that blends everyday practicality with true RS sport DNA. %READMORE%Finished in Mythos Black Metallic and equipped with Quattro all-wheel drive and RS performance upgrades, this model delivers dynamic driving excitement with premium comfort, available through our Cyprus car dealership.

Driving Performance
Powered by the iconic 2.5-liter TFSI turbocharged engine, the RS Q3 produces thrilling acceleration and a distinctive five-cylinder sound, enhanced by the RS Sport Exhaust system. The 7-speed S Tronic transmission ensures lightning-fast gear changes, while the Quattro 4WD system provides outstanding grip and stability in all driving conditions.

Interior and Equipment
The cabin features Fine Nappa leather seats with heating and electric adjustment, combining sportiness and comfort. The SONOS premium audio system delivers rich, high-quality sound, while the panoramic sunroof enhances the spacious and refined interior atmosphere.

Technologies and Assistants
Equipped with adaptive cruise control, Lane Keep Assist, collision prevention assist, blind spot monitoring, and a 360° camera system. Modern infotainment with Apple CarPlay and Android Auto ensures seamless connectivity and convenience.

Exterior
The RS design elements and Black Styling package emphasize the aggressive character of the model. The Mythos Black Metallic finish, adaptive LED headlights, and sporty alloy wheels create a bold and unmistakable presence on the road.
