Overview
The Audi A5 TFSI 110kW S line is a mid-size hatchback equipped with a 2000cc gasoline engine and 2WD system. Finished in Glacia White Metallic, it offers seating for five passengers and integrates advanced safety and technology features.
%READMORE%
This model emphasizes efficiency and modern design, combining driver assistance systems with practical usability for everyday driving.

Driving Performance
The A5 is powered by a 2000cc gasoline engine paired with a Floor 7AT transmission with MT mode. The 2WD system provides efficient handling for urban and highway driving. Driving characteristics focus on smooth acceleration, precise control, and balanced dynamics.

Interior and Equipment
The cabin accommodates five passengers with S line styling elements. Comfort features include a passenger display, digital cockpit, and advanced infotainment functions. The Technology Package Pro enhances usability and connectivity.

Technologies and Assistants
Key systems include Adaptive Cruise Control, Lane Keep Assist, Parking Assist, Collision Mitigation Braking System, Blind Spot Monitor, and Side Assist. Surround view cameras and multiple airbags contribute to comprehensive safety support.

Exterior
The exterior is finished in Glacia White Metallic, complemented by Matrix LED

headlights, Digital Signature lighting, and 19-inch alloy wheels. S line design elements highlight the sporty and modern character of the hatchback.
