Overview
The Audi A8 60 TFSI e quattro 06/2023 combines plug-in hybrid efficiency with flagship-level luxury and quattro all-wheel drive performance. %READMORE% Finished in elegant Daytona Gray, this premium sedan delivers a refined balance of power, advanced technology, and executive-class comfort, making it ideal for both city driving and long-distance travel.

Performance and Hybrid Technology
Powered by a 3.0-liter hybrid powertrain, the A8 60 TFSI e offers strong acceleration with improved efficiency. The 8-speed automatic transmission ensures seamless gear changes, while Audi’s legendary quattro all-wheel drive system provides superior traction and stability. The adaptive air suspension enhances ride comfort while maintaining precise handling dynamics.

Interior Luxury and Comfort
The spacious cabin features genuine leather upholstery, electrically adjustable seats with heating and ventilation, and advanced dual-zone climate control. The infotainment system includes navigation with memory function, full-seg TV, smartphone connectivity (Apple CarPlay and Android Auto), and a premium multimedia interface designed for intuitive operation.

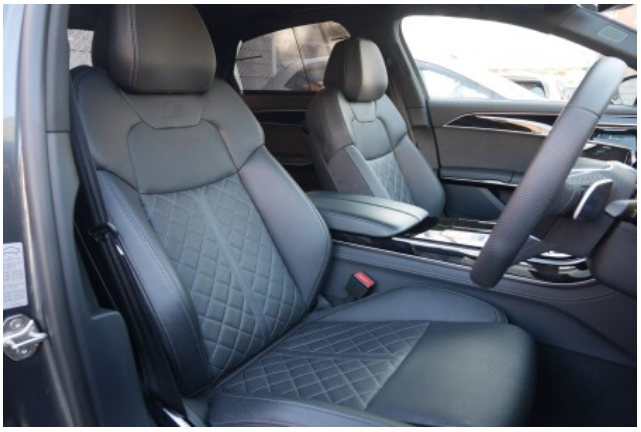

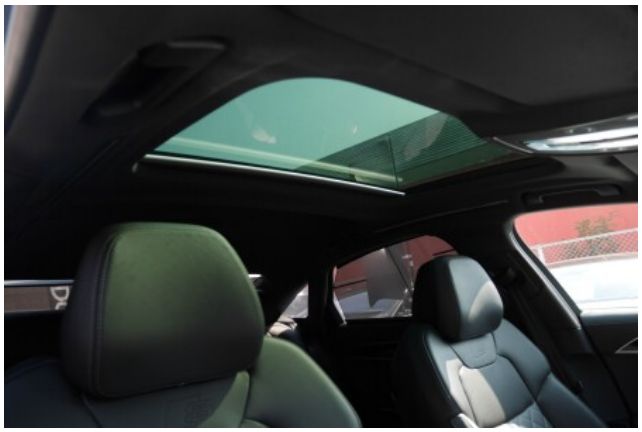

Safety and Driver Assistance
Equipped with adaptive cruise control, Lane Keep Assist, collision mitigation braking, blind spot monitoring, parking assist, and a 360° camera system, the A8 ensures maximum safety and driving confidence. Adaptive LED headlights provide enhanced visibility in all conditions.

Exterior
The sophisticated Daytona Gray finish is complemented by striking 21-inch aluminum wheels and a panoramic sunroof. The A8’s sleek body lines and S-Line styling emphasize its sporty yet elegant presence as Audi’s flagship sedan.
