Overview

This Audi Q4 e-tron from 2025 is an off-road SUV with an all-electric powertrain, offered as a certified pre-owned car for sale through an authorized dealership. It represents a focused option for buyers considering an electric SUV for sale.

Driving Performance

The vehicle is equipped with an automatic transmission (AT) and a 2WD drivetrain. This configuration delivers smooth, silent electric acceleration and controlled driving characteristics.

Interior and Equipment

The interior accommodates five passengers and features the S Line Interior Plus Package, configured for everyday comfort. The cabin layout includes powered and heated seats along with dual-zone climate control to support both daily commutes and longer journeys.

Technologies and Assistants

Standard safety and driver assistance systems—including Adaptive Cruise Control, Lane Keep Assist, and a 360-degree camera setup—are provided for controlled driving. They support the driver in typical urban and highway situations.

Exterior

The 5-door SUV body is finished in Navarra Blue Metallic. Its exterior presentation, complete with adaptive LED headlights, roof rails, and alloy wheels, matches the premium positioning of the Audi Q4 e-tron.
