Overview
The Audi Q8 Sportback e-tron 106 kWh 55 quattro S line 06/2024 is a premium electric SUV that combines striking coupe-like design with advanced quattro all-wheel-drive performance. %READMORE% Finished in Ultra Blue M and equipped with the S line package, Black Styling Package, and adaptive air suspension, this fully electric model delivers powerful performance, refined comfort, and cutting-edge Audi technology.

Electric Performance and Driving Dynamics
Powered by a 106 kWh battery and Audi’s dual-motor quattro system, the Q8 e-tron 55 offers strong acceleration and confident all-weather traction. The adaptive air suspension ensures a smooth ride while maintaining sporty handling characteristics expected from the S line trim.

Interior and Technology
The cabin blends modern luxury with advanced digital interfaces. Features include the Audi Virtual Cockpit, large infotainment display with navigation, Apple CarPlay and Android Auto connectivity, and a premium Bang & Olufsen 16-speaker sound system. Heated electric seats and high-quality interior materials provide exceptional comfort for daily driving and long journeys.

Safety and Assistance Systems
Equipped with adaptive cruise control, Lane Keep Assist, collision mitigation braking, Blind Spot Monitor, Parking Assist, and a 360° surround-view camera system, the Q8 e-tron ensures high levels of safety and driver confidence.

Exterior
The dynamic Sportback silhouette enhances aerodynamics while maintaining a bold SUV presence. Ultra Blue M paint, 21-inch alloy wheels, Matrix LED headlights, and Black Styling accents create a powerful and sophisticated appearance.
