

Audi Q8 , 2023

Features include power steering, ABS, adaptive cruise control, parking assist, lane-keeping assist, collision mitigation brakes, and an anti-theft system. Safety highlights also include obstacle sensors, airbags for driver/passenger/side/curtain, a 360° all-around camera, blind spot monitoring, skid prevention device, hill descent control, and automatic high beams.

The interior includes heated leather electric seats with memory, seat air conditioning, keyless entry, a smart key, power windows, and a multi-zone climate control system. Advanced multimedia features include Apple CarPlay, Android Auto, display audio, and a navigation system with memory. Additional convenience is provided by an electric tailgate, rear seat monitor, and ambient lighting.

On the exterior, the Q8 is equipped with adaptive LED headlights, a panoramic glass sunroof, aluminum wheels, roof rails, and a fully painted body with a sporty S line trim. Also includes Air suspension.
