

Audi A5 , 2022

Audi A5 Sportback 40 TDI Quattro S Line 4WD - 10/2022

General Overview

The **Audi A5 Sportback 40 TDI Quattro S Line** in **Black** represents the essence of Audi's engineering excellence — a perfect fusion of sporty aesthetics, everyday practicality, and executive comfort. This 2022 model stands out with its sleek coupe-like profile, advanced diesel efficiency, and refined S Line styling, making it an ideal choice for those who demand sophistication and performance in equal measure.

Performance and Driving Dynamics

Powered by a **2.0-liter turbo diesel engine (TDI)** producing **204 horsepower**, the A5 Sportback delivers smooth acceleration, strong torque, and outstanding fuel efficiency. The **7-speed S tronic automatic transmission** works seamlessly with **Audi's Quattro all-wheel drive (4WD)** system, ensuring exceptional traction and stability in all weather conditions. The **S Line sport suspension** enhances agility and precision, while drive mode selection allows the driver to adjust performance characteristics for an engaging and comfortable ride.

Interior and Comfort

Inside, the A5 Sportback combines **sporty elegance with meticulous craftsmanship**. The cabin features **premium leather seats, power-adjustable front seats, and automatic dual-zone climate control**, offering a balance of luxury and functionality. The **S Line interior trim** adds distinctive sporty detailing, complemented by high-quality materials and ambient lighting. With its **five-door layout** and generous luggage space, this model delivers both practicality and refinement, suited for city life and long-distance travel alike.

Technology and Safety

This A5 Sportback is equipped with an advanced suite of **driver-assistance technologies**, including **adaptive cruise control, lane keep assist, collision mitigation braking, and parking sensors** for added safety and confidence. A **rearview camera** and **LED headlights** provide excellent visibility, while Audi's infotainment system offers **navigation, Bluetooth connectivity, and Apple CarPlay / Android Auto integration**, keeping you connected and in control at all times.
