Overview

This Audi S3 Sportback from 2026 is a 5-door hatchback with a 2.0L turbo gasoline engine, offered as a used car for sale through a professional dealership. It represents a balanced option for buyers seeking a premium hot hatch with everyday usability.

Driving Performance

The vehicle is equipped with a 7-speed automatic transmission (with manual mode) and a 4WD drivetrain.

This configuration delivers stable, high-performance, and controlled driving characteristics in all conditions.

Interior and Equipment

The interior accommodates up to five passengers with Fine Nappa leather seating. The cabin is enhanced with a SONOS 3D sound system, ambient lighting pro, and modern multimedia features for trip comfort.

Technologies and Assistants

Comprehensive safety technologies are installed, including Adaptive Cruise Control, Lane Keep Assist, and multi-view cameras.

They provide driver support across both congested city roads and high-speed highways.

Exterior

The body is a 5-door hatchback finished in Gunmetal grey.

It features dark Audi rings, a black styling package, a glass sunroof, LED headlights, and red brake calipers.
