Overview

The **Audi Q2 1.5 35 TFSI Advanced 08/2025** is a stylish and technologically advanced compact SUV that perfectly blends practicality with premium quality. %READMORE% With its sophisticated design, efficient turbocharged engine, and advanced driver assistance systems, the Q2 offers an ideal solution for urban mobility and everyday driving.

Performance and Driving Dynamics

Powered by a responsive 1.5-liter TFSI turbocharged engine, the Audi Q2 delivers smooth acceleration, excellent fuel efficiency, and refined performance. The 7-speed S tronic transmission ensures quick and seamless gear changes, while the lightweight front-wheel-drive configuration provides agile handling and confident maneuverability in city environments. Audi Drive Select allows drivers to tailor the driving experience to their preferences.

Interior and Comfort

Inside, the cabin showcases Audi's renowned craftsmanship and modern design. High-quality materials, heated front seats, and dual-zone climate control ensure comfort for all occupants. The driver-focused cockpit with the Audi Virtual Cockpit and intuitive MMI Navigation system provides a seamless digital experience, while ambient lighting enhances the premium atmosphere.

Technology and Safety

Equipped with advanced safety and driver assistance technologies, the Q2 includes Adaptive Cruise Control, Lane Keep Assist, Blind Spot Monitoring, Parking Assist, and a rear-view camera. The infotainment system supports Apple CarPlay and Android Auto, ensuring seamless smartphone integration, while the Technology Package enhances connectivity and convenience.

Exterior

The Audi Q2 stands out with its bold and dynamic design, characterized by sharp lines, a distinctive Singleframe grille, and LED headlights. The Mythos Black Metallic finish accentuates its sporty and sophisticated presence, while stylish alloy wheels and refined detailing reflect Audi's signature premium aesthetics.
