

Bentley Continental GT , 2022

Bentley Continental 2022

Safety Equipment: This Bentley Continental is equipped with **driver and passenger airbags, front side airbags, and an advanced Bentley GPS tracking system.** It includes **adaptive brake lights, an electronic stability program (ESP), exit warning, and multi-collision braking.** Additional safety features include **pre-sense braking (Bentley Safeguard), power latches for the doors and boot, and torque vectoring by brake for improved handling and stability.**

Comfort Equipment: The cabin offers **multi-zone automatic climate control, an air ionizer, heated front seats with 12-way electric adjustment and two memory functions, and a lockable cooled glove box.** The **steering wheel is heated and trimmed in premium hide, with gearshift paddles for added control.** It includes **deep pile carpets and overmats in the front, contrast stitching, and Mulliner Colour Specification for a bespoke touch.** The **Touring Specification pack adds additional comfort and convenience features.**

Interior: The interior is finished in **high-quality Crown Cut Walnut veneer, with leather-trimmed gear lever and metal bullseye vents with chrome organ stops.** The **deep pile carpets, welcome lighting, ambient lighting, and footwell illumination** add a luxurious feel. It features a **ski hatch for additional practicality and multiple storage compartments, including front door storage, a center console, and under-armrest stowage.** The **four-seat configuration with a straight flute design provides an exclusive and comfortable seating experience.**

Exterior: The Bentley Continental is finished in **Onyx Black with the Continental Blackline Specification, featuring black Bentley wing badges, a black lower bumper grille, and bright wing vents with a black ribbed matrix.** The **21-inch Five Tri-Spoke painted alloy wheels, quad oval exhaust finishers, and full LED Matrix headlamps with high-beam assist** enhance its premium appeal. The **electric windows, heated rear screen, and polished brightware to side windows** provide added refinement.

Performance: The **Bentley Dynamic Ride System ensures excellent stability and comfort, with dynamic ride-height control and an auto-adjust function at high speeds.** The **three-chamber air suspension with continuous damping control (CDC)** ensures a smooth ride. It features **speed-sensitive power steering**

for effortless handling.

Technology and Multimedia: This Continental includes the **Bentley Rotating Display, a high-end Bentley Signature Audio system, and a front infotainment screen with a 12.3-inch high-resolution capacitive touchscreen display.** It supports **Apple CarPlay, Bluetooth and Wi-Fi audio streaming, satellite navigation, and online real-time traffic information.** An **inductive phone charger** provides added convenience.

Driver Assistance Systems: It is equipped with **adaptive cruise control, blind-spot warning, front and rear park distance control, park assist, a reversing camera with graphic screen representation, and collision prevention assist.** The **electronic tire pressure monitoring system (TPMS)** ensures safety on the road.

Lighting: The **Full LED Matrix headlamps with high-beam assist, full LED supplementary lamps, and tail lamps** provide enhanced visibility and a striking appearance.
