Overview

The Bentley Bentayga V8 S 2026 is a petrol SUV with a 4.0L engine and five-seat layout. %READMORE% This car for sale is presented with a high level of specification and a practical body format.

Driving Performance

The automatic gearbox and 4WD system provide stable and controlled driving. The V8 S configuration supports confident performance for everyday and long-distance use.

Interior and Equipment

The interior combines Cricket Ball and Linen colours with a five-seat layout. Comfort is supported by heated and ventilated memory seats with massage function.

Technologies and Assistants

The Touring package including adaptive cruise control Head-Up display and Night Vision supports driver assistance. Bentley 4K Vision dash camera fitted adds further onboard visibility support.

Exterior

The SUV body is finished in Cricket Ball Mulliner range paint. Rear acoustic privacy glass and 22" S directional wheels in gloss black complete the exterior specification.
