BMW XM , 2025

BMW XM 3.0 50e 25.7kWh – 2025

Overview:
The **2025 BMW XM 3.0 50e 25.7kWh** is a high-performance luxury SUV that combines cutting-edge technology, superior performance, and elegant design. With a **Black Sapphire metallic exterior**, this vehicle makes a bold statement on the road. Equipped with advanced features such as **M Adaptive Suspension Pro**, **M xDrive**, and **M Sport brakes**, the BMW XM provides an exhilarating driving experience while maintaining luxury and comfort.

Exterior:
The **Black Sapphire metallic exterior** gives the BMW XM a sleek, aggressive look, enhanced by elements like the **rear design trim elements in Night Gold** and **laser-cut BMW logos** on the upper left and right of the rear window. It rides on **21-inch alloy wheels – Light – 918 M Double Spoke with mixed tyres**, ensuring both performance and visual appeal. The **M Aerodynamics Package** and **rear diffuser in black high gloss** contribute to its sporty aesthetic. Additional exterior features include **high-gloss black elements** in the front bumper, **exterior and central air inlets in black high gloss**, and **horizontal radiator grille struts in black high gloss**, all of which add to its dynamic presence.

Performance and Efficiency:
The **BMW XM** comes equipped with the powerful **M xDrive** all-wheel-drive system, delivering exceptional stability and handling across different terrains. **M Sport brakes with black calipers** ensure enhanced braking performance, while the **M Adaptive Suspension Pro** provides a smooth and responsive ride. The vehicle also includes the **sport exhaust system**, giving it a thrilling sound while enhancing its performance.

Interior and Features:
Inside the **BMW XM**, you'll find a luxurious cabin finished with **carbon fiber interior trim** and an **individual instrument panel finished in leather**. The vehicle offers **M multifunctional seats** for the driver and front passenger, providing superior comfort, while **heated front seats** ensure a cozy ride. The **ambient lighting** sets the mood, and the **Harman Kardon surround sound system** ensures an immersive listening experience. For added convenience, the car features **wireless charging**, a **storage tray in the center console**, and **power sockets** for all your devices.

Technology and Connectivity:
The **BMW XM** comes with the latest technology, including **BMW ConnectedDrive Online Services** and **BMW Live Cockpit Professional**. **BMW Gesture Control** allows for easy operation of various functions with simple hand movements, while the **BMW ID** provides personalized settings. Additionally, **Personal eSim** ensures that you remain connected to your digital life seamlessly. The vehicle also includes **adaptive cruise control**, **parking assistant plus**, and **lane-keeping assist**, making every drive safer and more convenient.

Safety and Driver Assistance:
The **BMW XM** is packed with advanced safety systems, including **Active Protection**, **Blind Spot Detection**, **PDC – Park Distance Control** with sensors at the front and rear, and **Parking Assistant Plus** for easier parking. The vehicle also features a **high-beam assistant**, **soft-close function for doors**, and **speed limiter** for added safety.
