BMW Alpina D3 S Touring - 01/2021

Exterior:

The 2021 BMW Alpina D3 S Touring combines the practicality of a wagon with Alpina's distinctive styling cues. It features aerodynamic enhancements, including a front spoiler and rear diffuser, complemented by signature Alpina Classic multi-spoke alloy wheels. The vehicle's dimensions are approximately **4.719 meters** in length, **1.827 meters** in width (excluding mirrors), and **1.438 meters** in height. en.wikipedia.org

Performance and Efficiency:

Under the hood, the D3 S Touring is powered by a 3.0-liter inline-six twin-turbocharged diesel engine, delivering **355 horsepower (261 kW)** and **730 Nm** of torque. This powertrain enables acceleration from 0 to 100 km/h in **4.8 seconds**, with a top speed of **270 km/h**. The engine is paired with an 8-speed automatic transmission and features Alpina's all-wheel-drive system.

Interior and Features:

Inside, the D3 S Touring offers a luxurious cabin with high-quality materials and Alpina-specific details. It includes a digital instrument cluster, infotainment system with navigation, and comfort features such as heated seats and dual-zone climate control. The wagon body style provides a spacious cargo area, offering **500 liters** of luggage capacity, expandable to **1,510 liters** with the rear seats folded down.

Technology and Safety:

The vehicle is equipped with advanced safety and driver-assistance systems, including adaptive cruise control, lane-keeping assist, and automatic emergency braking. These features contribute to a secure and comfortable driving experience.
