Overview
The BMW iX1 eDrive20 M Sport is a compact SUV equipped with an electric engine and 2WD system. Finished in Alpine White, it offers seating for five passengers and integrates modern safety and comfort features.
%READMORE%
This model emphasizes efficiency and practicality, combining advanced driver assistance systems with everyday usability.

Driving Performance
The iX1 eDrive20 is powered by an electric engine paired with an 8AT transmission with MT mode. The 2WD system provides efficient handling for urban and highway driving. Driving characteristics focus on smooth acceleration and controlled dynamics.

Interior and Equipment
The cabin accommodates five passengers with half leather seating. Comfort features include heated seats, BMW Live Cockpit, wireless charging, and an automatic tailgate. The interior camera adds convenience and monitoring capability.

Technologies and Assistants
Key systems include Adaptive Cruise Control, Lane Keep Assist, Parking Assist, Collision Mitigation Braking System, Blind Spot Monitor, and Rear Traffic Monitor. Surround view cameras and multiple airbags enhance safety and driver awareness.

Exterior
The exterior is finished in Alpine White, complemented by LED headlights and genuine 18-inch alloy wheels. The SUV’s proportions emphasize modern styling, while functional elements such as roof rails and automatic high beam add practicality.
