BMW X4 M40i – 08/2021

Exterior
This BMW X4 M40i comes in a stunning **Sunstone Metallic (gold)** finish, part of the **BMW Individual** collection. Its coupe-SUV silhouette is enhanced with **M Sport design elements**, aggressive bumpers, and exclusive styling. The vehicle features **20-inch V-spoke alloy wheels (Style 726i)**, **M Sport high-gloss red brake calipers**, and a **panoramic electric glass sunroof**, emphasizing both sportiness and luxury.

Performance and Driving Dynamics
Under the hood, it is powered by a **3.0-liter inline-6 TwinPower Turbo petrol engine**, producing around **360 hp**, paired with an **8-speed automatic transmission** and BMW’s **xDrive intelligent all-wheel drive system**. This setup ensures thrilling acceleration, outstanding grip in all conditions, and smooth handling. The **adaptive suspension** and **M Sport braking system** provide dynamic yet refined driving performance.

Interior and Comfort
Inside, the cabin is crafted with **BMW Individual White Merino Leather seats**, creating a luxurious contrast with the gold exterior. The sporty yet elegant design is complemented by ergonomic controls, ambient lighting, and high-quality finishes. Power-adjustable sport seats with memory functions ensure both comfort and driver focus.

Technology and Safety
This model is equipped with a premium **Harman/Kardon surround sound system (464W, 16 speakers, 9 channels)**, offering an exceptional in-car audio experience. Additional technology includes **navigation, 360° camera system, adaptive cruise control, lane departure warning, blind-spot monitoring, and collision mitigation system**. Safety is reinforced with multiple airbags, ABS, ESC, and BMW’s advanced driver-assistance systems.
