

BMW X2 , 2021

BMW X2 M35i xDrive - 12/2021

General Overview:

The 2021 BMW X2 M35i xDrive, finished in elegant **Black Sapphire Metallic**, is the high-performance flagship of the X2 lineup. With aggressive styling, all-wheel drive, and M-enhanced engineering, this compact SUV delivers thrilling dynamics with everyday usability. The Select Package, sunroof, and advanced driver assistance systems make it as comfortable as it is sporty.

Performance and Handling:

At its core is a **2.0-liter turbocharged inline-4 engine** producing **306 horsepower** and **450 Nm** of torque. Mated to an 8-speed automatic transmission and BMW's intelligent xDrive system, the X2 M35i accelerates from 0 to 100 km/h in just 4.9 seconds. M Performance tuning, a stiffer suspension setup, and M Sport brakes ensure responsive handling and confident cornering, giving the X2 M35i a hot-hatch soul in a crossover body.

Interior and Features:

Inside, the cabin combines sportiness and premium comfort. The Select Package includes high-grade materials, a panoramic sunroof, and power-adjustable front sport seats. A digital instrument cluster and central infotainment display with iDrive controller offer seamless access to navigation, media, and vehicle settings. Apple CarPlay, Android Auto, and Bluetooth connectivity are integrated for maximum convenience.

Safety and Driver Assistance:

This X2 M35i comes equipped with Adaptive Cruise Control (ACC), a rearview camera, lane departure warning, and front/rear parking sensors. The rigid chassis and multiple airbags contribute to a reassuringly safe drive, backed by BMW's advanced safety systems.

Exterior Design:

Bold M styling elements set this model apart — from the large air intakes and rear spoiler to the exclusive 19- or 20-inch M alloy wheels. The **Black Sapphire Metallic** finish highlights its sharp, coupe-like silhouette, while dual exhaust pipes and gloss black trim give it a commanding presence on the road.
