Overview
The BMW i5 M60 xDrive 03/2025 is a high-performance electric luxury sedan that combines cutting-edge BMW M engineering with advanced digital technology and premium comfort. %READMORE% Finished in elegant Brooklyn Gray with a black leather interior and carbon fiber trim, this former company demo vehicle delivers powerful all-electric performance alongside executive-level refinement.

Performance and Driving Dynamics
Equipped with BMW’s dual-motor xDrive all-wheel-drive system, the i5 M60 provides instant electric torque, rapid acceleration, and exceptional traction. The advanced chassis setup with air suspension ensures a smooth yet dynamic ride, blending M-level sportiness with everyday comfort.

Interior and Technology
The cabin features premium black leather seats with heating and electric adjustment, complemented by carbon fiber interior accents. A fully digital cockpit, Head-Up Display, and factory HDD navigation system create a modern driving environment. The Bowers & Wilkins premium sound system enhances every journey with exceptional audio clarity.

Safety and Driver Assistance
Comprehensive safety systems include adaptive cruise control, Lane Keep Assist, collision mitigation braking, blind spot monitoring, parking assist, and a 360° surround-view camera system. LED adaptive headlights and advanced sensors further enhance visibility and driving confidence.

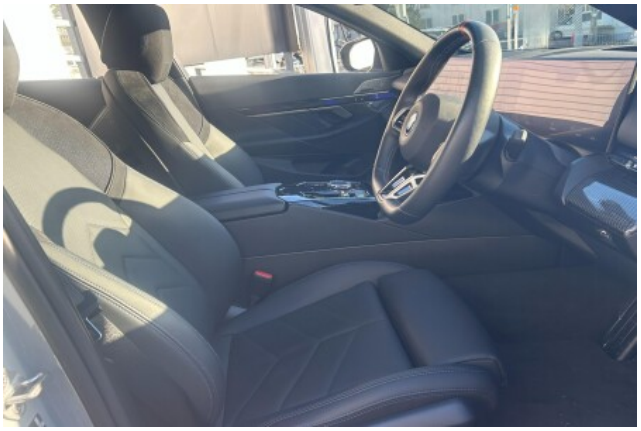

Exterior
The sophisticated Brooklyn Gray exterior emphasizes the sporty yet elegant silhouette of the i5 M60. Adaptive LED lighting, aerodynamic design elements, aluminum wheels, and a sunroof complete the premium electric executive sedan appearance.
