Overview

This BMW iX xDrive50 4WD Technology Package from 2025 is an electric off-road SUV. It represents an advanced option for buyers considering a luxury electric SUV.

Driving Performance

The vehicle is equipped with an automatic transmission, a 4WD drivetrain, and an air suspension system. This configuration delivers smooth, responsive, and well-controlled driving characteristics.

Interior and Equipment

The interior accommodates five passengers with 5 doors and is configured for modern luxury comfort. The cabin layout features electric seats, seat heaters, keyless access, smart key entry, and power windows to support daily commutes and longer journeys.

Technologies and Assistants

Standard safety and driver assistance systems—including Adaptive Cruise Control, Lane Keep Assist, Collision Mitigation Braking, Parking Assist, front/side/back cameras, and Blind Spot/Rear Traffic Monitoring—are provided for controlled driving. They support the driver in typical urban and highway situations.

Exterior

The body is an off-road SUV finished in white. Its exterior presentation is highlighted by a sunroof/glass roof and aluminum wheels that complement the futuristic design of the BMW iX.
