Overview
The BMW i5 eDrive40 Excellence 06/2024 is a fully electric premium sedan combining cutting-edge technology with refined comfort. %READMORE% This BMW i5 for sale is available as a used car for sale in Cyprus through our professional car dealership, offering zero-emission driving, advanced driver assistance systems, and executive-level luxury.

Driving Performance
Powered by an advanced electric drivetrain, the i5 eDrive40 delivers smooth, instant acceleration and near-silent operation. The 2WD configuration ensures balanced handling, while adaptive systems and air suspension provide a composed and comfortable ride in both city and highway conditions.

Interior and Equipment
The cabin accommodates 5 passengers and is finished in elegant Mineral White exterior with a refined black leather interior. Electric seats, seat ventilation, seat heating, dual-zone climate control, and premium materials create a sophisticated executive atmosphere.

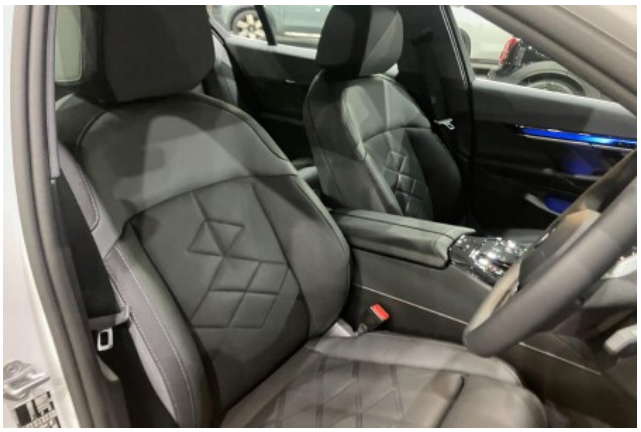

Technologies and Assistants
Equipped with adaptive cruise control, lane keep assist, blind spot monitoring, parking assist, collision damage reduction braking, and a full all-around camera system, the BMW i5 prioritizes safety and convenience. Integrated navigation system (HDD), Apple CarPlay and Android Auto compatibility, and digital displays enhance connectivity and usability.

Exterior
The Mineral White body highlights the modern and aerodynamic sedan design. Adaptive LED headlights and genuine aluminum wheels emphasize the vehicle’s elegant yet dynamic character.
