Overview

The BMW X3 M Competition is a mid-size SUV equipped with a 3000cc gasoline engine and 4WD system. This model comes in Red exterior color and is positioned as a performance-oriented SUV with advanced safety and comfort features. %READMORE% It combines practicality with dynamic driving characteristics, offering a balance between everyday usability and high-performance capability.

Driving Performance

The vehicle is powered by a 3000cc gasoline engine paired with an 8AT transmission with floor MT mode. The 4WD system ensures stable traction across different road conditions, while the M Compound Brakes provide reliable stopping power. The driving character emphasizes precise handling and controlled performance.

Interior and Equipment

The cabin accommodates 5 passengers with supportive seating. Comfort features include a heated steering wheel and climate control functions. The panoramic sunroof enhances the sense of space and light inside the vehicle. Materials and layout are designed to provide a functional and driver-focused environment.

Technologies and Assistants

Key systems include Adaptive Cruise Control, Lane Keep Assist, Parking Assist, Collision Mitigation Braking System, and Blind Spot Monitor. Surround view cameras and multiple airbags contribute to safety and driver assistance.

Exterior

The exterior is finished in Red, complemented by 21-inch alloy wheels, carbon mirror

caps, and M Light Shadow Line trim. The panoramic sunroof adds versatility, while M Compound Brakes with red calipers highlight the performance-oriented design.
