Overview

The **BMW i4 M50 07/2023** represents the pinnacle of BMW's electric performance, combining M-badged dynamics with cutting-edge EV technology and Gran Coupe elegance. %READMORE% Finished in Black Sapphire and equipped with advanced driver assistance systems and premium features, this high-performance electric vehicle delivers exhilarating acceleration, exceptional efficiency, and everyday practicality.

Driving Performance

Powered by dual electric motors, the BMW i4 M50 produces impressive output and delivers instant torque with seamless acceleration. The intelligent xDrive all-wheel-drive system ensures optimal traction and stability in all driving conditions. Its low center of gravity, adaptive suspension tuning, and near-silent operation provide a refined yet thrilling driving experience worthy of the M badge.

Interior and Comfort

The cabin offers a luxurious and driver-focused environment, featuring premium leather upholstery, electrically adjustable seats with memory and heating, and ambient lighting. The advanced BMW Curved Display and Head-Up Display provide intuitive access to vehicle information, while the Harman Kardon surround sound system ensures a superior audio experience. A power rear gate and spacious Gran Coupe layout enhance practicality and comfort.

Technology and Safety

Equipped with advanced driver assistance technologies, the vehicle includes Adaptive Cruise Control, Lane Keep Assist, Collision Mitigation Braking, Blind Spot Monitoring, Parking Assist, and a 360° surround-view camera. The navigation system with Apple CarPlay and Android Auto, digital TV tuner, and wireless connectivity provide seamless infotainment and convenience for every journey.

Exterior

The sleek and aerodynamic design of the BMW i4 M50 is accentuated by its Black Sapphire finish and sporty M styling elements. Adaptive LED headlights, sculpted body lines, and 19-inch alloy wheels highlight its dynamic character, while the Gran Coupe silhouette combines elegance with everyday practicality.
