Overview
The **BMW M5 05/2025** combines supercar-level performance with the versatility of a high-performance Touring body. %READMORE% Finished in striking Isle of Man Green and equipped with the exclusive M Racetrack Package and M Carbon Ceramic Brakes, this M5 delivers uncompromising driving dynamics together with everyday usability and refined luxury.

Performance and Driving Dynamics
At the heart of the M5 is a powerful 4.4-liter V8 twin-turbo engine paired with advanced hybrid technology, producing breathtaking acceleration and immense torque. The 8-speed automatic transmission ensures lightning-fast shifts, while BMW’s M xDrive all-wheel-drive system provides maximum traction and stability. The M Carbon Ceramic Brakes offer superior stopping power and fade resistance, making this model equally capable on road and track.

Interior and Comfort
The cabin features extended Merino leather in an eye-catching Calami Orange and Black combination, blending motorsport character with premium craftsmanship. Electrically adjustable M Sport seats with heating and ventilation ensure maximum comfort, while the panoramic sunroof enhances the spacious feel of the Touring body. The Bowers & Wilkins surround sound system delivers a premium audio experience.

Technology and Safety
Equipped with advanced driver assistance systems, including Adaptive Cruise Control, Lane Keep Assist, Blind Spot Monitoring, Parking Assist, and a full 360° camera system, the M5 ensures confidence and convenience in every situation. The Head-Up Display and M Drive Professional system provide real-time performance data and driving customization.

Exterior
The Isle of Man Green finish accentuates the aggressive yet elegant design of the BMW M5 Touring. The aerodynamic M body styling, large alloy wheels, and distinctive quad exhaust system emphasize its high-performance identity, while the Touring configuration adds practicality without compromising sportiness.
