Overview

The BMW M2 is a compact coupe equipped with a 3000cc gasoline engine and a Floor 6MT transmission. Finished in Black Sapphire, it offers seating for four passengers and integrates advanced safety and performance-oriented features.

%READMORE%

This model emphasizes dynamic driving with precise handling, combining modern driver assistance systems with a sporty design.

Driving Performance

The vehicle is powered by a 3000cc gasoline engine paired with a Floor 6MT transmission. The 2WD system provides responsive handling, while Adaptive M Suspension and M Compound Brakes enhance control and braking performance. Driving characteristics focus on agility, strong acceleration, and driver engagement.

Interior and Equipment

The cabin accommodates four passengers with Vernasca Black Leather seating. Comfort features include seat heaters, a head-up display, and M Carbon Fiber Trim. The interior layout emphasizes driver focus while maintaining passenger convenience.

Technologies and Assistants

Key systems include Cruise Control, Lane Keep Assist, Parking Assist, Collision Mitigation Braking System, Blind Spot Monitor, and Rear Traffic Monitor. Surround view cameras and multiple airbags contribute to comprehensive safety support.

Exterior

The exterior is finished in Black Sapphire, complemented by Adaptive LED headlights and M styling elements. The coupe's proportions emphasize a compact yet powerful

design, while functional features such as automatic high beam enhance usability.
