

BMW X7 , 2023

BMW X7 xDrive40d M Sport Diesel Turbo 4WD - 10/2023

General Overview

The **BMW X7 xDrive40d M Sport** embodies strength, elegance, and innovation in a full-size luxury SUV. Produced in **October 2023**, it combines a commanding road presence with refined detailing and cutting-edge technology. The interior is finished with **white wood accents** and features the **Bowers & Wilkins Diamond Surround Sound System**, ensuring an immersive and sophisticated experience for every occupant.

Performance and Driving Dynamics

At its core, the X7 xDrive40d is powered by a **3.0-liter inline-six M TwinPower Turbo diesel engine**, producing **340 horsepower**. Paired with an **8-speed sport automatic transmission** and **BMW's xDrive all-wheel-drive system**, it delivers a smooth, powerful, and confident drive in all conditions. The **Recuperation System** improves efficiency, while the **22-inch multi-spoke alloy wheels** and **run-flat tires** combine style with safety. Responsive handling, precise steering, and adaptive control make this SUV both comfortable and engaging to drive.

Interior and Comfort

The cabin offers exceptional craftsmanship and comfort, featuring **leather comfort seats** with **ventilation, and massage functions**, complemented by **five-zone climate control** for a personalized environment. Details like **CraftedClarity glass controls, ambient lighting**, and **soft-close doors** emphasize refinement, while **temperature-adjustable cup holders, roller sunblinds**, and **keyless Comfort Access** provide convenience and luxury. The **open-pored wood trim** adds a bright, elegant atmosphere throughout the interior.

Technology and Safety

Equipped with **Driving Assistant Professional** and **Parking Assistant Professional**, the X7 ensures effortless driving and precision maneuvering. The **BMW Live Cockpit Professional** with gesture control, **Apple CarPlay, personal eSIM 5G**, and **TV function** provide seamless connectivity and entertainment. Safety and comfort are enhanced with **Active Protection, Adaptive High-Beam Assist**, and the stunning **Iconic Glow crystal headlights and kidney grille**.
