BMW 8 series , 2022

BMW 8 Series 840i Exclusive M – 09/2022

Exterior
This 8 Series Gran Coupe is finished in **Mineral White Metallic**, accentuating the sophisticated and dynamic design of a **4-door coupe**. The **M Sport package** gives the car a sportier edge with aerodynamic styling, distinctive accents, and bold details. Sleek proportions, premium chrome elements, and **LED headlights** highlight its luxurious presence.

Performance and Driving Dynamics
Equipped with a **3.0-liter inline-6 petrol engine**, the 840i pairs with an **8-speed automatic transmission** and **xDrive all-wheel drive**. It delivers **333 hp** and about **450 Nm of torque**, providing refined power delivery, smooth acceleration, and confident grip in all conditions. The **Adaptive M Suspension** ensures precise handling and stability while offering long-distance comfort.

Interior and Comfort
Inside, the cabin is appointed with **premium leather upholstery** and advanced comfort features. The equipment includes **power-adjustable heated seats**, **dual-zone climate control**, and a **multimedia system with HDD navigation**. Additional highlights are a **head-up display (HUD)**, **ambient interior lighting**, and a **panoramic glass roof**, which creates a spacious and luxurious atmosphere for both driver and passengers.

Technology and Safety
The 840i comes equipped with a wide range of modern features: **360° camera system** with **front, side, and rear-view cameras**, **parking sensors**, **adaptive cruise control**, and **lane assist**. Safety is supported by **ABS**, **stability control (ESC)**, and a complete set of **airbags** (front, side, and curtain). Additional technologies include **collision mitigation braking**, **smart key with keyless entry**, **theft-prevention systems**, and modern infotainment with connectivity options.
