Overview
The BMW M4 CS 02/2025 is a rare high-performance coupe limited to just 40 units in Japan, combining track-focused engineering with everyday usability. %READMORE% Finished in striking Brooklyn Gray Metallic and equipped with M Carbon bucket seats, carbon ceramic brakes, and a titanium sports exhaust, this model represents one of the most exclusive and performance-oriented versions of the G82 M4.

Engine and Performance
Powered by a 3.0-liter twin-turbo inline-6 engine paired with M xDrive all-wheel drive, the M4 CS delivers exceptional acceleration, razor-sharp handling, and enhanced traction. The M Carbon ceramic brakes provide superior stopping power, while the titanium exhaust system produces an aggressive and distinctive sound.

Interior and Driving Experience
Inside, the M Carbon bucket seats create a race-inspired cockpit environment. The curved display, Head-Up Display, navigation system, and smartphone connectivity ensure modern convenience alongside motorsport DNA.

Safety and Assistance
Despite its track-ready character, the M4 CS includes advanced driver assistance systems such as adaptive cruise control, Lane Keep Assist, Blind Spot Monitoring, Parking Assist, and multiple safety features for confident daily driving.

Exterior
The aggressive coupe silhouette is complemented by matte gold forged 19/20-inch wheels, adaptive LED headlights, and distinctive CS styling elements. Brooklyn Gray Metallic enhances the car’s muscular yet refined presence.
